^{*} If taxpayer elects to report cost above on federal tax year basis, assets acquired from the prior federal tax year end to March 1 are to be reported on the first line of the appropriate pool. NOTE: All Column B adjustments above must be supported on Form 103-T, or Form 103-T.

Filing Basics:

- Every person owning, holding, possessing, or controlling personal property in Indiana on March 1st is required to file a form by May 15th.
- Taxpayers may request up to a thirty (30) day extension of time to file their return. The written request should be sent to the Assessor before the filing deadline of May 15th and should include a reason for the request. The Assessor may, at their discretion, approve or deny the request in writing.
- Personal property must be assessed in each taxing district where property has a tax situs.
- Inventory located in the State of Indiana is exempt and is not required to be reported per IC 6-1.1-1-11 (b) (3).
- It is the responsibility of the taxpayer to obtain forms from the Assessor and file a timely return. The forms are also available on-line at the Indiana Department of Local Government Finance's website at www.in.gov/dlgf.
- If you hold, possess, or control not-owned personal property on the assessment date, you have a liability for the taxes imposed for that year unless you establish that the property is to be assessed to the owner. This is done by completing a Form 103-N, attaching it to the Form 103 Long, and filing it with the Assessor. NOTE: Failure to properly disclose lease information may result in a double assessment.
- Taxpayers who discover an error was made on their original timely filed personal property tax return have
 the right to file an amended return. The amended return must be filed within twelve (12) months of the due
 date or the extended due date (if up to a thirty (30) day extension was granted) of their original return.

Frequently Asked Questions:

A. How do I find out my Taxing District Name & Number?

You will need to contact your County Assessor for assistance since heavily populated areas can have several taxing districts within a single township.

B. How do I find out my NAICS number?

This six-digit code number appears on the federal returns filed for businesses. For a complete list of the codes, go to www.census.gov.

C. Will my local Assessor fill this form out for me?

Indiana's personal property tax system is a self-assessment system. An Assessor can offer assistance with the filing; however, an authorized person representing the business must sign the form under penalties of perjury that it is true and correct so the responsibility of filing an accurate return remains with the taxpayer.

D. How can I find contact information for the various county offices (Assessor, Auditor, or Treasurer) throughout the State of Indiana, locate forms or learn more about Indiana's personal property tax system? Go to the Indiana Department of Local Government Finance's website at www.in.gov/dlgf/2440.htm. Contact information for the Assessor is available at https://www.in.gov/dlgf/2440.htm.

NOTE: This form is for the reporting of two or less Operating Leases. For all other leases, the Form 103-N (for the lessee) and the Form 103-O (for the lessor) should be utilized. For more information on the reporting of leased equipment, refer to 50 IAC 4.2-8. Failure to properly disclose lease information may result in a double assessment.
